More about the center

Cairns Convention Centre is an award- winning venue located on the shores of the Great Barrier Reef and surrounded by the oldest rainforest on earth, the only place where two World-Heritage listed areas meet.

With a total of 45,000sqm of event space the Cairns Convention Centre has multiple options for business events, including a 2,300 seat auditorium, a 5,000-seat arena that is ideal for exhibitions and large gala dinners with 1,470 sqm of floor space. The Centre also has an additional 18 meeting rooms that can be configured to suit numerous event breakout requirements.

The Centre’s new expansion includes a 410-seat plenary, exhibition space, ballroom that can host 500 people and an outdoor terrace overlooking the Trinity Outlet.

Managed by global venue management company, ASM Global, the Cairns Convention Centre is everything you would expect from an international convention venue located in one of the world’s most desirable destinations.
