More about the center

The Cape Town International Convention Centre (CTICC) is a destination of choice for conferences, exhibitions and business events on the African continent. The centre has undergone an impressive expansion project. The new, state-of-the-art facility, CTICC 2, is now operational and is set to further the centre’s reputation for hosting the highest number of international conferences in Africa. With its expansion, CTICC 2, now operational, the centre offers a 140,855m2, venue complex to make every congress, exhibition, and banquet a truly memorable experience. CTICC is also the first convention centre in Africa to gain three management system certifications simultaneously to the internationally recognised systems standards ISO 9001 (Quality Management), ISO 14001 (Environmental Management) and OHSAS 18001 (Occupational Health and Safety).
