## More about the center

In the CCD Congress Center Düsseldorf, the future has no limits. Attached to the Messe Düsseldorf exhibition grounds, this building complex consisting of 41 event rooms and 18 exhibition halls merges to form a uniquely

flexible room concept. The extensive available space allows for almost any desired combination for custom-tailored events. All from an excellent perspective: this international congress location is located in the heart of one of the most vital business and scientific hubs in Germany – and directly on the Rhine.
