More about the center

The CityCube Berlin is a multi-storey building, with a total of 50 halls and rooms, seating up to 5000 delegates in its largest hall. The conference halls and meeting rooms have flexible partition walls which allow considerably larger formations for several thousand delegates at a time. The main features of the CityCube are:

- Entrance Level with registration and cloakroom areas
- Two main hall levels measuring approximately 6000 sqm per level
- Flexible conference walling on the lower level, to allow for up to 8 plenary and breakout halls for 400 – 3000 pax each
- Column-free upper level hall for exhibition, posters, catering or large plenary halls for up to 5000 pax
- 4-8 further meeting rooms with flexible walling above upper hall level for up to 50

– 330 pax each • More than 25 smaller offices, meeting rooms and suites • Direct link to adjacent exhibition halls of Messe Berlin

190,000 m² of exhibition space in 27 halls and multifunctional venues such as the hub27 Berlin or the +palais.Berlin
The ideal combination of trade show and convention via a connector.
