More about the center

As a state-of-the-art, technology driven centre, the Durban ICC is one the most advanced conference facilities in the world. The facility offers largest column free, flat floor, multi-purpose space in Africa. The

centre’s flexible and versatile design offers six interlinked convention halls that are separated with movable walls that allow for a number of venue configurations. The five-star graded facility was voted Africa’s Leading Meetings and Conference Centre for the 17th year by the World Travel Awards and is ISO 9001, 14001, 22000 and OHSAS18001 certified.
