HOFBURG Vienna – Right here beats the heart of Europe The centre of excellence in the heart of Vienna is a byword for innovation: inspired new event formats and cutting-edge technology give the HOFBURG Vienna a strong standing in the industry. Where monarchs once held court, HOFBURG Vienna now captivates as an international congress and events centre. Whether famous composers such as Haydn, Beethoven and Mozart holding their world premieres, as well as crowned Heads and Presidents – from Kennedy to Khrushchew – were taking political decisions, the Hofburg Congress Center welcomes national and international organizers of events. The Hofburg Congress Center offers 17.000 sqm /182.000 sq.ft. of floor space spread across 35 rooms for events allowing 50 to 4.900 participants.
