More about the center

Located in the heart of the world’s most vibrant city and freest economy, and Asia’s trade fair capital, the Hong Kong Convention and Exhibition Centre (HKCEC) offers 91,500 square metres of rentable space for exhibitions, conferences, meetings, corporate functions, entertainment and hospitality events. Six purpose-built exhibition halls with 66,000 square metres dominate the Centre’s space. Additionally, there are 20,000 square metres of multi-function venues, much of which are regularly used for exhibitions. Included are two convention halls, two theatres, 52 meeting rooms and spacious foyers for pre-function use. Hong Kong’s Central Business District and the best of the city’s attractions are right on the Centre’s doorstep. Adjacent and linked to the HKCEC are two world-class hotels and there are over 6,000 rooms within walking distance. Top industry awards for every major category of events have reaffirmed the global reputation of HKCEC for professional service excellence.
