More about the center

Messe Frankfurt is the world's largest trade fair, congress and event organiser with its own exhibition grounds. Messe Frankfurt offers 11 multifunctional trade fair halls and 4 event locations: the Congress Center, the Forum, the Festhalle and Kap Europa. The grounds create space for congresses, trade fairs, exhibitions

and other events of virtually any size. As well as this, all buildings are connected by the covered Via Mobile moving walkway, allowing them to be combined perfectly. Messe Frankfurt also offers highly professional event services from a single source, ranging from catering to stand construction and security.
