More about the center

MiCo – Milan Convention Center is one of the largest conference facilities. It’s able to accommodate up to 18,000 people in 72 fully appointed conference rooms with permanent control booth. Featuring two plenary rooms, one with seating for 4,000 and the other for 2,000 and an Auditorium that seats 1,500, it is the ideal venue for large-scale performances and for international conferences requiring many rooms. The exhibition halls offer 54,000 sq.m of exhibition space and can also be set up as extra plenary rooms accommodating more than 5,000 people. The venue has excellent high-end services, state-of- the-art technologies suitable for all international events managed by highly-experienced and skilled staff members who provide custom-tailored solutions. Conference rooms feature the full range of technologies: video projector, sound system, translator booths, fixed video cameras, closed circuit TV, Wi-Fi internet access and optical fiber cables. MiCo has ample connections to the old town historical centre thanks to a great public transportation network (five walking distance metro station), railways link station and easily connected to the international airports. Showcasing a strong track record of Corporate and Associative international events, MiCo team collaborates with an established network of qualified suppliers and stakeholders at national and regional levels. The company’s CSR programs deal with Environment, Local Community and Employees, ensuring that every choice of the management board and every event held in the venue has the best possible positive outcome for the city and the people involved.
