More about the center

Oman is the peacemaker of the Arabian Gulf, with a longstanding reputation as a haven of stability. Its peaceful nature extends to its people, who are known for a spirit of hospitality that is second to none. The Oman Convention & Exhibition Centre, scheduled to open in Muscat in 2016, will be a reflection of these

values. The purpose-built, LEED certified facility combines traditional Omani motifs with contemporary designs and offers over 55 flexible meeting space options, complimentary wifi and advanced audio-visual technology. The Centre is located within a fully integrated precinct that will include accommodation options, a shopping mall and business districts, overlooking a water-filled wadi that is a haven for Oman’s exotic birdlife. Explore the beauty and diversity of our wonderful country as we welcome the world’s business events.
