More about the center

Managed by Constellar , a pan Asian meetings, incentives, conferences, and exhibitions (MICE) company, Singapore EXPO is situated within the buzzing, multicultural hub of Singapore as the country's largest purpose built MICE venue. With a total of 123,000 sqm (1,323,961sqft) of interconnected event spaces spanning 10 halls and 32 meeting rooms, the award winning venue is versatile and scalable, easily

accommodating business or consumer events of any size. Each studio is fully fitted with state of the art pre recording and broadcasting technology for seamless end to end transmission, enabling a wider audience reach. To meet a variety of event needs, Singapore EXPO’s event management service teams are ready to provide technical and event support, whether in supporting physical events or assisting in event broadcasting. Helmed by a tech driven culinary team, Kinetic Kitchen delivers customised meals that are responsibly sourced from local providers, safely prepared to the highest food safety standards, and catering to over a thousand guests. As the first MICE facility to receive the Building and Construction Authority (BCA) Green Mark Platinum Standard certification and a trusted venue partner with over twenty years of exhibition and event experience, Singapore EXPO offers elevated experiences through curated and compelling spaces with a touch of nature through abundant use of natural light and greenery. More than just a venue, customers and visitors can expect an extensive repertoire of services beyond event and venue management, with work and leisure options available under one roof.
