More about the center

More about the center

An iconic landmark venue in the city center of Bangkok, one of the most desired destinations for convention, exhibition and event. QSNCC is a modern and integrated facility located in the business district and vibrant city center. Everything you wish for is minutes away and going further also simpler with the subway station connected into the venue. The world class designed facility offers more than 300,000 sq.m. usable area with 78,500 sq.m. event space.

Majestic Architecture

At the intersection of innovative architecture, sustainable design and integrated functionality, the center will showcase beautiful representations of Thai art and culture. Overlooking Benjakitti Park and Lake, the design also using the daylight as a key element where visitor can feel close to nature with the view of lake and park next to the venue.

Easy Access, Excellent Support

Queen Sirikit National Convention Center is conveniently located in central Bangkok beside Benjakiti Park and Lake and surrounded by many 4-5-star hotels. It is easily accessible by road or mass transit, and is just 30 minutes’ drive from Suvarnabhumi Airport. QSNCC’s MRT Subway station offers mass transit connectivity to the Airport Rail Link as well as to hotels, shopping centers and many city attractions.

In addition to its convention and exhibition facilities, the Center assists visitors with many supporting facilities, including: banks, post office, ATM, food court, food & beverage outlets, convenience store, bookstore, pharmacy and beauty shop.

Excellence in Management

Since 1991, Queen Sirikit National Convention Center has been managed by N.C.C. Management & Development Co., Ltd., whose experienced team provides a broad range of venue management services for conferences, exhibitions and corporate events. N.C.C. is able to offer clients fully-integrated, customer-friendly, one-stop services for food & beverage, booth design and construction, professional conference and exhibition organizing services.
