More about the center

The Metropolitan Santiago Convention & Event Center is one of Chile's popular event venues. Located in the heart of a 51,000 sqm park with a view of the Andes Mountains, it has an exceptional natural setting. Each year, more than 700 events are hosted and organised in this place.

Santiago Convention & Event Center provides event organisers with 3,200 sqm of indoor space, 1,500 sqm of patio and terraces and 12 modular rooms. It can host all types of events: congress, fair and show, product launch, meeting and seminar, conference, graduation ceremony, wedding, All spaces have audiovisual and sound equipment, but also a high-level gourmet catering service to answer all event needs.

Metropolitan Santiago enjoys a privileged location in the heart of Vitacura, close to Santiago city-center. The charm of the city, its cultural buildings and its gastronomy attract more than 5,3 million tourists each year.
