## More about the center

A 60,000 sqm exhibition and convention centre, strategically located in the first industrial hub of Japan. Aichi Sky Expo is a brand-new venue with a direct access to an international airport.

Situated in the heart of the first industrial region of Japan and within a tax-free zone, the centre offers an excellent location for exhibition and event organisers.

One of the largest in Japan, the facility comprises 5 exhibition halls of 10,000 sqm, a multi-purpose pillarless hall with 20 m ceiling height, ideal for concerts, sport and e-sport events, 3,400 sqm conference centre and 40,000 sqm of outdoor space with no sound limitation.

The venue offers an ultra high speed network and high-end equipment. Your project in Japan will be supported by our international team, world-class services and local connections.
