More about the center

One of South Africa's leading exhibition, conference and event venues, Johannesburg Expo Centre is also a well-known city's landmark and home to one of the oldest consumer fairs the Rand Show.

Over the years the venue has kept pace with the remarkable growth of the local exhibition and conference industries, evolving into a world-class flexible facility, offering a wide range of halls, outdoor activation spaces and on-site services.

Today it is the venue of choice for leading exhibition and event organisers due to an extensive 150,000 sqm indoor and outdoor area and a convenient location, surrounded by 4 and 5 stars hotels and accessible from

all highways, close to major international airports.
