# More about the center

As a new event complex in France, CO’Met is comprising an Exhibition Center, a Convention Center and an Arena to host all types of national and international events.

The Convention Center has a 1,000-seat auditorium, a 228 sqm stage, sub-committee rooms that can accommodate up to 820 people. It delivers an ideal acoustics and acoustic movable walls, state-of-the-art audio and video equipment and motorized screens. To complete this offer, the building includes a 800-seat restaurant with a terrace.
