

2026 Patrons of Professional Development: Recognition and Perks for Academy Supporters!

The AIPC Academy Patrons initiative recognizes and rewards our most consistent supporters of the Academy. By committing to sending one staff member per year for three consecutive years, members help strengthen this vital educational program and benefit from exclusive recognition

Why it matters?

- Stabilizes attendance and supports planning
- Ensures strong global representation
- Frees up promotional resources
- Rewards members who invest in their staff and in AIPC's future leadership.

Join your peers

Colleagues from **Amsterdam, Barcelona, Calgary Stampede, Calgary Telus, Cape Town, Lausanne, London, Antwerpen, Budapest, Manchester, Singapore** and others have already embraced this commitment — reaping the **educational and networking benefits** the Academy delivers year after year.

How it works?

- Provide written confirmation that you will register a staff member annually in the AIPC Academy for 2026, 2027, and 2028.
- This qualifies your center for **one complimentary** registration, usable in any Academy edition between 2027 and 2029.
- Each center can receive a maximum of one complimentary registration per year,

Why plan now?

The simplest way to participate is by including this commitment in your annual budget planning cycle.

AIPC Academy Registration for 2026 includes:

- Full course materials and sessions
- Meals (lunches and dinners) from **April 12** (after lunch) to **April 17** at Dolce La Hulpe
- Breakfast is included in the accommodation rate. Accommodation is extra and paid directly to the hotel
- Certificate of Achievement

Extra costs will only apply for personal expenses (e.g., phone calls, laundry, extra drinks).
